It has good reviews.	It would be a great fit on XYZ cable net.	We have to have closure	It's night is too competitive	Reality TV ruins everything
It has great DVR numbers	It was on the wrong day / time.	No more reaity crap	There was a big movie premiere that night	Everyone I know watches this
It's lead-in is dragging it down	It has great Internet buzz	TVbytheNumbers.com	It has great retention from its lead-in	Networks cancel shows too soon. Remember Seinfeld, Cheers...
I don't know anyone with a Nielsen box!	It should have had the post-Superbowl slot	DirecTV will pick it up	It airs against House/Grey's Anatomy, etc.	It's #1 on iTunes
It's [network executive's] fault	People didn't watch because they knew it would be canceled	No one watches on TV anymore, they all watch online!	It won the XYZ award	The network wanted it to fail

I will boycott the network if they cancel this show	Network XYZ is run by morons.	It would be a great fit on XYZ cable net.	It's too procedural	Reality TV ruins everything
The network doesn't listen to its fans	We'll save it just like Jericho	It has great Internet buzz	It had X million average viewers	It's #1 on iTunes
It was a trending topic on Twitter.	It's really expensive to make	TVbytheNumbers.com	It beat Jay Leno	It ran opposite [insert name of ratings juggernaut]
It's ahead of the curve	It built on its lead in	People are too stupid to get it	It was on the wrong day / time.	It wasn't promoted enough.
The English version was much better	It needs time to grow.	The save our show petition has a million signatures	Nielsen is an antiquated system	It's really cheap to make

It has great retention from its lead-in	It's really expensive to make	TVbytheNumbers.com	Everyone I know watches this	The DVD sales will be amazing.
It wasn't promoted enough.	They ran the episodes out of order	It's too serialized	It will make millions on tie-ins	The English version was much better
The save our show petition has a million signatures	It built on its lead in	It ran opposite [insert name of ratings juggernaut]	It was delayed by football	The network wanted it to fail

It will make millions on tie-ins	It won the XYZ award	Cable will pick it up	Nielsen is an antiquated system	No more reaily crap
The writers strike killed it.	It has great Internet buzz	I will boycott the network if they cancel this show	You guys are just haters	It had X million average viewers
I don't know anyone with a Nielsen box!	We'll save it just like Jericho	TVbytheNumbers.com	It did better than [the show that previously failed] in that timeslot.	Network XYZ is run by morons.
It's #1 on iTunes	It was a trending topic on Twitter.	Everyone I know watches this	People are expected it to get cancelled so they didn't watch	It's really expensive to make
Nobody knew when it was on	It's really cheap to make	It should have had the post-Superbowl slot	It's ahead of the curve	A million people downloaded the torrent

There was a big movie premiere that night	It needs time to grow.	Everyone I know watches it! Nielsen's must be wrong!	The save our show petition has a million signatures	It's too serialized
Cable will pick it up	It's too procedural	Too long of a hiatus between episodes	People didn't watch because they knew it would be canceled	People are too stupid to get it
The DVD sales will be amazing.	People are expected it to get cancelled so they didn't watch	TVbytheNumbers.com	No more reality crap	A million people downloaded the torrent
It's numbers went up in the finals.	It had X million average viewers	All the shows I like are being canceled	It was a trending topic on Twitter.	It's really popular in other countries
Networks cancel shows too soon. Remember Seinfeld, Cheers...	You guys are just haters	It's #1 on iTunes	It's ahead of the curve	It should have had the post-Superbowl slot
